

4th Grade Newsletter

Week 1

August 8 - 12, 2022

(Quarter 1)

MATH

*This week we will be working on place value (reading and writing numbers in standard form, word form, and expanded form). You need to know the places through the millions place. We will also work on the place and value of a digit and how many times greater or smaller the number is.

*We will begin the year by taking multiplication timed quizzes every Tuesday and Thursday. This may be adjusted to include more days as needed. We will start them next week (August 15 - 19). You must memorize these. You will answer around 15-20 questions in one minute and 30 seconds to start off with. We will right off missed questions to help memorize them. We will change the time allotted and number of questions throughout the school year. Flash cards are a great way to drill these facts. Study the multiplication sheet that is in the second clear sleeve of your PAID folder. Return these to school EVERYDAY.

*To receive text messages from Ms. Tonia, download the remind app, text @pes4math to 81010.

*My email address is tonya.mckenzie@decaturschools.org.

*To receive text messages from Ms. Tonia, text @math4pes to 81010.

Week 1

August 8 - 12, 2022

(Quarter 1)

Reading

***Join my REMIND to receive text me messages from Ms. Wendy.
text @mswendy1

***My email address is wendy.lee@decaturschools.org

We are still learning and practicing rules and procedures in the classroom.

I will be working on assessing students in my class this week to inform me where they are as a reader so that I can provide the support they will need to be stronger, successful readers.

We will be learning the advantages of having growth mindset during class versus the negative effects of having a fixed mindset.

Information

We had a great first few days of school! These are just a few reminders:

**Send lunch money to school in an envelope with your child's name, grade, and homeroom teacher written on the envelope.

**Make sure your child knows how they will get home each afternoon. If they need to do something different than normal, you must send a note or call the office.

***Please sign and return all notes that were sent home to be signed.

Grammar/Writing

We will be identifying different parts of speech in sentences like nouns, verbs, and adjectives.

We will improve our writing by expanding our sentences with stronger vocabulary and adding more details.

Spelling/Vocabulary

We will not start spelling or vocabulary this week.
