**WEEK 33 May 10 - 14, 2021**

## **MATH**

\*This week we will be working on review skills. We will also learn about decimal place value, comparing decimals, and adding and subtracting decimals. We will have a daily grade this week on review skills. We plan to have a test on Wednesday, May 12. Study the study guide and our old daily grades from this nine weeks period.

\*Continue to practice memorizing the multiplication tables. Don't forget we will have multiplication quizzes every Tuesday and Thursday.

\*Work on IXL skills. This will be a daily grade for the 4th nine week period. You must score 85 or above. I will star new skills as we cover them in class. **Do not do a skill unless it has a yellow star beside of it because we have not talked about it in class yet.**

\*My email address is [Tonya.McKenzie@decaturschools.org](mailto:Tonya.McKenzie@decaturschools.org).

\*To receive text messages from Ms. Tonia, text @847go to 81010. This is a great way to reach me. I also send out remind messages about our class events, tests, etc. from time to time. Please join.
